

Introducing the
PAUL ERNEST
 Storyteller Frame Collection

"Basically, I am a perfectionist. So, when I found a frame company that both complemented my style and delivered outstanding frames, I was hooked. Together we created the Paul Ernest Storyteller Frame Collection."

- Paul Ernest

Wood Frames

8105

Part of the Magellan Series of wood veneer frames. An antique look evoking moods from the Old World to Colonial America and even the American West.

A rustic wood frame with a hand hewn look, wonderful texture and the occasional, but very welcomed, knothole.

4021

317 matted

Beautiful rustic wood frame with deeply grained texture. Each piece is unique.

Introducing the
PAUL ERNEST
 Storyteller Frame Collection

Your art piece isn't finished, until it's ready to hang.

AutumnWood
 Frames

322

Elegant Renaissance design giving a regal look to virtually any masterpiece. This one never goes out of style.

Elements of dark wood tones, brushed bronze and a mossy green patina subtly complement any outdoor setting.

6444

1006 matted

A very versatile, warm toned charcoal frame that works with almost any print, from color to black and white.

Storyteller Frame Collection sample corners FREE when you order three frames 16x20 or larger from this collection.
