Collage Frames include:

Your choice of any Group 2 Frame,
single or double mat, glass & foam core backing.

Please consult our Collage Mat Design Guide for all of the mat layouts we offer. If you do not find the Mat Design you are looking for, please contact us for custom mat design options.

We recommend upgrading to acrylic instead of glass for larger Collage Frames because of the possibility of breakage during shipping.

Not all mats are available for sizes over 40". Please consult the Mat Colors section at the end of the Collage Mat Design Guide for mats available in sizes over 40".

8 ply Solid Core mats & Crescent Couture mats are single mats, not double mats. Our Signature Mat Frames include a single mat.

Because of cost fluctuations from our suppliers, prices are subject to change without notice.
